

# Kentucky Perinatal Quality Collaborative

## KyPQC BULLETIN

*On behalf of the KyPQC, Happy Belated Mother's Day to all the moms and moms-to-be!!!*

### Learn More About AIM

KyPQC central staff are gathering information and identifying required partners for the AIM application packet. KyPQC would like to apply for the "Obstetric Care for Women with Opioid Use Disorder" bundle. To learn more about AIM, click the link below.

### Leads Needed for Workgroups

KyPQC needs to identify leads and co-leads for each of the three workgroups (OB, Neo, and Data & Analytics). If you are interested in leading one of the workgroups or you would like to nominate someone for this role, please complete the short survey by clicking on the "Learn More" box below.

## KyPQC Next Steps

- The KyPQC Steering Committee will continue to meet every other month and the Workgroups will meet monthly.
- We are asking hospitals that have completed successful QI projects and are interested in being featured in the Webinar Series to contact the KyPQC Central Team (mclouse@ky.gov).
- Please contact the KyPQC Central Team with topics and presenters for the Fall Annual Meeting (now to be held virtually).
