

Kentucky Perinatal Quality Collaborative

KyPQC BULLETIN

The momentum of the KyPQC is receiving recognition and the number of stakeholders are increasing daily!

KyPQC Partners with KY SOS

Dr. Connie G. White presented on the KyPQC during the June KY SOS (Statewide Opioid Stewardship) Webinar. Partnering with KY SOS will allow for synergistic efforts to combat high opioid prescribing rates for post-partum women. To learn more about KY SOS click the box below.

KyPQC Legislative Committee

KyPQC is laying the groundwork to form a Legislative Advisory Committee to ensure state legislators stay abreast on the great work of the KyPQC. To learn more about your KY state legislators, click the box below. We would love your feedback as to who you believe would be a great fit for the KyPQC Legislative Advisory Committee.

KyPQC Next Steps

- The KyPQC July Webinar is scheduled for July 28th at 3:00pm. Register [here!](#)
- The KyPQC Fall 2020 Annual Meeting (now to be held virtually) will be held in early November.
- The KyPQC Health Policy Specialist and Epidemiologist positions should be filled in the near future, which will aid in the ongoing momentum of the KyPQC.
- Work has begun on the foundation of a website for the KyPQC. The official KyPQC website will be available soon!
